

SIXTH FORM APPLICATION 2017-2019

Application

Application for entry to Year 12 at Highsted Grammar School is by the electronic Common Application process at **www.ucasprogress.com**. You can apply from 11 November 2016. Applications close on 10 February 2017. On the form, you must indicate clearly the courses and levels of courses that you want to study. You need to read the Courses and Admissions section of this prospectus or the School's entry on www.ucasprogress.com to check the structure of programmes of study that are possible. When completing your application on www.ucasprogress.com please ensure that you include in your personal statement any possible career or higher education plans you are considering. This will enable us to check that the options you are selecting are appropriate.

Currently in Year 11 at Highsted Grammar School?

Before needing to complete your application, you will need to submit a Subject Preferences Form. You will also have the opportunity to attend a Sixth Form Taster Day in January, where you will attend lessons in courses you are considering studying. Once you have submitted your application form electronically in February, you will have a meeting with a senior member of staff to discuss the suitability of the course you have selected. After this, you and your parents will receive a letter showing a provisional programme of study for you, subject to meeting the qualifications required to study that programme.

Currently in Year 11 at a different school?

You can apply using www.ucasprogress.com. If you have any problems with this, please contact us directly or **ucasprogress@ucas.ac.uk**. Once you have applied, your application will be acknowledged and you will be invited to visit the school to discuss your application further.

Confirming Your Place

If you have been offered a course, you are expected to attend our Pre-Sixth Form Induction Days held on Thursday 22 and Friday 23 June 2017. You should also be available when GCSE results are published in August so that we can see you in order to confirm your course.
