Dear Student

At Highsted we always strive for excellence, with a proven record of outstanding results and the highest standard of teaching. We hope you choose to continue your further education studies here with us at Highsted, where you will be joined by likeminded students who really want to learn and will be supported by teachers who will strive to make you competitive in the world of higher education or work. Highsted Grammar School is one of the most successful Post-16 providers both in Kent and nationally!

In choosing to progress into Sixth Form here, you will enrol on a Post-16 study programme which is coherent, flexible and enjoyable. Our Post-16 study programmes will offer you every opportunity to achieve more than the minimum, with a flexible enrichment option designed to develop your skills of independent learning and enhance your competitiveness after two years of study.

If you require any further information then please do not hesitate to contact our Sixth Form Team on the school's number above, or alternatively you can send an email to sixthform@highsted.kent.sch.uk.

We would love for you to join what we believe is an outstanding Sixth Form.
