5. ROLES AND RESPONSIBILITIES

5.1 The governing body

The governing body is responsible for monitoring this behaviour policy's effectiveness and holding the Headteacher to account for its implementation.

5.2 The Headteacher

The Headteacher is responsible for reviewing and approving this behaviour policy.

The Headteacher will ensure that the school environment encourages positive behaviour and that staff deal effectively with poor behaviour, and will monitor how staff implement this policy to ensure rewards and sanctions are applied consistently.

5.3 Staff

Staff are responsible for:

- Implementing the behaviour policy consistently
- Modelling positive behaviour
- Providing a personalised approach to the specific behavioural needs of particular pupils
- Recording behaviour incidents
- All staff must read Keeping Children Safe in Education to ensure that they are aware of all safeguarding responsibilities.
- The Senior Leadership Group will support staff in responding to behaviour incidents.

5.4 Parents/Carers

Parents/carers are expected to:

- Support their child in adhering to the School's expectations and behaviours policy
- Inform the school of any changes in circumstances that may affect their child's behaviour
- Discuss any behavioural concerns with the class teacher promptly

6. EXPECTATIONS FOR BEHAVIOUR

Pupils are expected to:

- Behave in an orderly and self-controlled way
- Show respect to members of staff and each other
- In class, make it possible for all pupils to learn
- Treat the school buildings and school property with respect
- Wear the correct uniform at all times
- Accept sanctions when given
- Refrain from behaving in a way that brings the school into disrepute, including when outside school
- Sit where directed by staff

7. EXPECTATIONS FOR UNIFORM

All of us at Highsted are proud of our School and the school uniform helps create a sense of belonging. We therefore ask that you follow the guidelines concerning uniform set out below. **Full school uniform should be worn at all times** when children are representing Highsted, including on journeys to and from School. **Trainers or tennis shoes should only be worn for PE lessons.** Please use the following link www.simmonds-ltd.com to locate the full uniform list.

7.1 Jewellery and hair

The only items of jewellery we allow to be worn at School are one pair of **discreet** studs in the lower ear lobes **only** and a watch. **No other kind of body piercing can be worn in School.**

Discreet religious symbols may be worn if they are **underneath** a blouse or sweater and are not visible. All jewellery must be removed for PE and games lessons. Long hair should be tied back for science and technology practical's, PE and games lessons, hair decorations should be royal blue, grey, black or white. Hair must be adapted to a restrained, discreet style for school and of a

natural colour. Unnatural dyed hair is not permitted. No badges other than School ones may be worn.

If you permit your child to have more than one piercing in their ears, please ensure that this is done at the **start of the summer holiday** in order for it to heal properly before the start of term. **Your child will not be allowed more than one pair of ear studs in School.**

7.2 Make-up

Children in Years 7 to 9 may **not** wear make-up in school. Discreet eye make-up and foundation is allowed in Years 10 and 11 only. No sparkly eye shadow or lipstick is permitted. Coloured nail varnish must **not** be worn in School. Clear varnish is acceptable. Pupils are not permitted to wear acrylic nails. Any students wearing excessive make-up will be asked to remove it for School.

7.3 School bag and text books

All students will need a strong bag in which to carry books and other equipment. A rucksack is often the most popular choice. Students are provided with textbooks. If books are lost or damaged, they naturally must be replaced and a charge will be made.

7.4 Further guidance for PE, games and science lessons

PE: It is advisable for safety reasons that spectacles be removed for gymnastics and games lessons. If this is not possible (e.g. if a student would be unable to see sufficiently well to participate in the lesson) a letter is required under Health and Safety Regulations from a legal guardian accepting liability in case of accidental damage or breakage of the spectacles during the lesson, or worse, an accident to the wearer. A note from a parent/carer is also required if a student is to be excused from PE (there should be a sound medical reason). Unless the reason is clearly visible (e.g. a plaster cast!) please send a note on each occasion. If students are to be excused from the practical aspect of the lesson, they will still be expected to wear the correct PE kit, so that they are still part of the lesson. **Please note: No aerosols are allowed for PE lessons or other parts of the School.**

SCIENCE: In practical lessons, students are required to wear safety glasses which are provided. Students must wear overalls in science lessons as directed by their teacher to protect their clothes from possible traces of chemicals.

8. REWARDS AND SANCTIONS

8.1 Rewards

Positive behaviour will be rewarded with:

- Praise
- Merits
- Letters or phone calls home to parents
- Special Recognition Assemblies and Certificates

8.2 Detentions

Note that 24 hours' notice of a detention is no longer required by the Department for Education. Parental permission is not required but Highsted Grammar School will inform parents for all detentions as soon as possible but it may be at the end of the school day via email through 'SIMs in touch'.

In setting detentions, however, Highsted Grammar School will consider:

- the welfare and any special needs or disabilities of the child
- whether the child has caring responsibilities
- whether there are unique travel arrangements

Inconvenience to the parents will not be considered as long as the pupil has a means to get home safely. The permitted times for detentions are any school day when the pupil does not have permission to be absent.

The behaviour expectations will be upheld in all classes by following this stepped warning/sanction system:

Event	Step
Student not meeting staff expectations	Verbal warning given
Student continues to not meet staff expectations	Written warning in the planner given
Student continues to not meet staff expectations	30-minute detention issued.
If the student continues not to correct their behaviour	Exit issued. Student will be exited to another room for the remainder of the lesson. This will result in an afterschool 60-minute detention on a Friday with SLG. Contact will be made to the parent/carer via a phone call and email via parent mail
Failure to attend detentions	
Detention Level	Consequence
Failure to attend 30-minute lunchtime detention	Escalate to a 60-minute SLG afterschool detention (same week)-parent/carer notified via parent mail
Failure to attend 60-minute SLG afterschool detention	Escalate to internal isolation session. Parent notified via parent mail
Truancy	
Not attending class	60-minute SLG detention on a Friday with SLG
Students who are persistently Late or persistently Truanting can incur further sanctioning such as internal isolations and also include involvement from the Local Authority Attendance Service	

All students are expected to uphold the school's values and behave in an acceptable manner. This includes when not in lessons. Where a student requires closer supervision at break and/or lunch time they will be required to sit in a supervised area with a member of the pastoral team. Members of staff and the Senior Leadership Group are on duty before and after school and at break and lunch times.

If members of staff witness incidents of poor behaviour they will issue a student with a detention or for more serious incidents a member of the Senior Leadership Group will place a student in Internal Isolation.

The school may use internal isolation in response to serious or persistent breaches of this policy.

8.3 Suspensions/Exclusions

In extreme cases of poor behaviour, the school may consider excluding a pupil. Before the school does this, they will consider the implications of the Equality Act 2010. Specifically, the school will consider whether there is the possibility of any discrimination against a pupil due to their sex, race, disability, religion or belief, sexual orientation, pregnancy, or gender reassignment. For pupils with disabilities, whether diagnosed or not, and those pupils with additional needs, the school will also consider whether they have made reasonable adjustments to policies and practices. These considerations will be recorded prior to any exclusion/suspension. The school will, as far as possible, avoid permanently excluding any pupils who are vulnerable as well as those with an EHCP and will proactively engage with other relevant agencies to consider additional support including an alternative placement before making the decision to exclude.

8.4 Zero-tolerance approach to sexual harassment and sexual violence

The school will ensure that all incidents of sexual harassment and/or violence are met with a suitable response, and never ignored.

Pupils are encouraged to report anything that makes them uncomfortable, no matter how 'small' they feel it might be.

The school's response will be:

- Proportionate
- Considered
- Supportive
- Decided on a case-by-case basis

Sanctions for sexual harassment and violence may include fixed-term exclusion.

The school has procedures in place to respond to any allegations or concerns regarding a child's safety or wellbeing. These include clear processes for:

- Responding to a report
- Carrying out risk assessments, where appropriate, to help determine whether to:
 - Manage the incident internally
 - Refer to early help
 - Refer to children's social care
 - Report to the police

Please refer to our child protection and safeguarding policy for more information.

8.5 Off-site behaviour

Sanctions may be applied where a pupil has misbehaved off-site when representing the school. This means misbehaviour when the pupil is:

- Taking part in any school-organised or school-related activity (e.g. school trips)
- Travelling to or from school

- Wearing school uniform
- In any other way identifiable as a pupil of our school

Sanctions may also be applied where a pupil has misbehaved off-site at any time, whether or not the conditions above apply, if the misbehaviour:

- Could have repercussions for the orderly running of the school
- Poses a threat to another pupil or member of the public (inclusive of online behaviour)
- Could adversely affect the reputation of the school

Sanctions will only be given out on school premises or elsewhere when the pupil is under the lawful control of the staff member (e.g. on a school-organised trip).

8.6 Malicious allegations

Where a pupil makes an allegation against a member of staff and that allegation is shown to have been deliberately invented or malicious, the school will discipline the pupil in accordance with this policy.

Where a pupil makes an allegation of sexual violence or sexual harassment against another pupil and that allegation is shown to have been deliberately invented or malicious, the school will discipline the pupil in accordance with this policy.

In all cases where an allegation is determined to be unsubstantiated, unfounded, false or malicious, the school (in collaboration with the local authority designated officer, where relevant) will consider whether the pupil who made the allegation needs help, or the allegation may have been a cry for help. If so, a referral to children's social care may be appropriate.

The school will also consider the pastoral needs of staff and pupils accused of misconduct (see Allegations of Abuse Against Staff Policy).

Please refer to our child protection and safeguarding policy for more information on responding to allegations of abuse against staff or other pupils.

9. BEHAVIOUR MANAGEMENT

9.1 Classroom management

Teaching and support staff are responsible for setting the tone and context for positive behaviour within the classroom.

They will:

- Create and maintain a stimulating environment that encourages pupils to be engaged
- Develop a positive relationship with pupils, which may include:
 - o Greeting pupils in the morning/at the start of lessons
 - o Establishing clear routines
 - o Communicating expectations of behaviour in ways other than verbally
 - o Highlighting and promoting good behaviour
 - o Concluding the day positively and starting the next day afresh
 - o Having a plan for dealing with low-level disruption
 - o Using positive reinforcement

9.2 Physical restraint

In some circumstances, staff may use reasonable force to restrain a pupil to prevent them:

- Causing disorder
- Hurting themselves or others
- Damaging property

Incidents of physical restraint must:

- **Always be used as a last resort**
- Be applied using the minimum amount of force and for the minimum amount of time possible
- Be used in a way that maintains the safety and dignity of all concerned
- Never be used as a form of punishment
- Be recorded and reported to parents

9.3 Confiscation

Any prohibited items (listed in section 3) found in pupils' possession will be confiscated. These items will not be returned to pupils.

We will also confiscate any item which is harmful or detrimental to school discipline. These items will be returned to pupils after discussion with senior leaders and parents/carers, if appropriate.

Searching and screening pupils is conducted in line with the DfE's [latest guidance on searching, screening and confiscation](#).

9.4 Pupil support

The school recognises its legal duty under the Equality Act 2010 to prevent pupils with a protected characteristic from being at a disadvantage. Consequently, our approach to challenging behaviour may be differentiated to cater to the needs of the pupil.

The school's special educational needs and disabilities manager (SEND Co-ordinator) will evaluate a pupil who exhibits challenging behaviour to determine whether they have any underlying needs that are not currently being met.

When acute needs are identified in a pupil, we will liaise with external agencies and plan support programmes for that child. We will work with parents/carers to create the plan and review it on a regular basis.

9.5 Behaviour Report Process

To support students correcting negative behaviour we have a supportive behaviour report process. If a student is struggling to manage their behaviour, we will intervene with a stepped report system. Patterns of poor behaviour will be monitored by Form Tutors and the Pastoral Team to help them correct their behaviour. There are also subject specific reports if there are concerns within a particular subject which is monitored by the classroom teacher and HOD.

Reports give students individualised targets that will act as triggers for good behaviour. If a student does not correct their behaviour they will move on to a different stage of the report at the discretion of the school. The different layers of report are shown in the table below: -

Tutor report (2 weeks)		
<ul style="list-style-type: none"> • Persistent poor behavior • Multiple detentions • Persistently late • Persistent lack of equipment 	<ul style="list-style-type: none"> • Tutor calls home to notify parents • Tutor notifies HOY/learning mentor so records can be updated • Tutor monitors pupil report daily 	<ul style="list-style-type: none"> • Pass = pupil meets all targets and behavior has improved • Fail = pupil does not meet targets and behavior not improved OR loses report and issued a lunchtime detention

<p>If the pupil fails to pass Head of Key stage report manage move/directed move may be discussed</p>

Information on behaviour issues may also be shared with new settings for those pupils transferring to other schools.
