Dear Applicant

Thank you for your interest in the above post, which I am pleased to acknowledge. Please find enclosed information about Highsted, together with the job details. The school is committed to providing girls in Swale with every advantage that being a grammar school can provide.

In partnership with the Headteacher, the Senior Leadership Group (SLG) plays a vital role in setting the strategic direction for the whole school and holding staff and students to account for standards. Currently the SLG consists of the Headteacher, two Deputy Headteachers and two Assistant Headteachers and an Associate Assistant Headteacher. Although each member of the SLG has agreed priorities that relate to specific areas of school improvement, it is accepted that responsibilities are shared and strategic issues can be dealt with on a collaborative basis. Members of the SLG are also expected to take assemblies, support extra-curricular activities and represent the school, as required, in the wider community. The new member to the team will be expected to adopt the same approach.

The successful candidate is likely to teach a 50% timetable across a two-weekly cycle. You will be an outstanding classroom practitioner of proven ability who enjoys teaching. This is a post for a suitably ambitious teacher who is committed to achieving high standards in all areas of school life and can demonstrate the potential to contribute a great deal to the future development of Highsted Grammar School. We welcome applicants who can provide leadership of effective data systems and management of such across the whole school. We will determine the finer details of the specific key stage job profile depending on the skills set of the successful applicant and the composition of the SLG at the time of appointment.

Application process

The closing date for applications is noon on 28th February 2024. It is expected that interviews will take place shortly afterwards.

The interview process will involve a combination of tasks, interview panels with students, staff and governors. The tasks will be designed for candidates to demonstrate their leadership skills and strategic thinking in pressured conditions. Applicants must return:

1. A fully completed application form (leaving no gaps in employment) and naming your current Headteacher as your first referee.
2. A statement in which you set out in no more than two sides of A4:
 - a) Your vision for a successful Maths department over the next 3 years and how you would measure your impact in translating this success within the school;
 - b) Your vision for how the leadership of data can improve the school over the next three years and how you can measure your impact in translating this success in the school;
 - c) An outline of the key aspects you consider are important for raising standards for able girls;
 - d) Why your appointment would be right for Highsted.

Should you need any further information or would like to arrange a visit to the school, please contact my PA, Karen Hugill.

I look forward to receiving your application.

Yours sincerely

Anne Kelly

Welcome to Highsted

At Highsted, we view education as a creative process. Our vision is to lead a happy and cohesive community which fosters academic, emotional and physical confidence. In doing this we create inspirational learners with the courage to take risks and the wisdom to learn from their mistakes.

Our success is as a consequence of striking a fine balance between tradition and innovation. Our values are traditional ones and we offer an unashamedly academic curriculum. We are keenly aware that we are preparing our students for a working life none of us can yet anticipate. Our focus, therefore, is on developing the skills, attributes and habits of mind that equip our young women as life long learners. Our aim is to launch them into the world as self-starters, focused but flexible, armed with the courage to grasp opportunities and the resilience and humour to negotiate setbacks along the way.

We hope that at Highsted you will find a society, a family – a place of lifelong learning that will support and encourage each and every member of our community.

Please use the contact details above if you would like the opportunity to tour the school or to meet the Head before making an application. I look forward to welcoming you to our school.

Anne Kelly - Headteacher

Ofsted - Good

'Pupils and students flourish and succeed at Highsted Grammar.'

'Pupils are courteous, polite and welcoming – they are happy, safe and well cared for.'

'Teacher's subject knowledge is exceptionally strong'

'Leaders set high expectations of what students can achieve. Pupils and students respond well to these high expectations.'

'An ambitious 'cognitive and compassion' curriculum offers a fitting balance of academic rigour and pastoral support.'

'Incidents of poor behaviour are low, and attendance is high. Pupils arrive punctually to their lessons, so learning time is maximised.'

(Ofsted Inspection report 2023)

About Us

Highsted Grammar School is a small girls' grammar school (around 900 on roll, including 182 in Sixth Form) situated in the North Kent town of Sittingbourne. We were one of the first to convert to academy status in the autumn term 2010.

Excellent road and rail connections give easy access to London, Canterbury, Ashford and the Continent. Sailing and swimming facilities in the area are good and there are plenty of community activities (for example, orchestral, choral, theatrical clubs, etc.) available. Theatres in Canterbury and Maidstone, as well as those in London, provide entertainment. A well-equipped sports complex in the town has excellent facilities both for the serious sportsman and woman and for family recreational use. House prices are relatively low for the South East and opportunities for further professional development are excellent.

The school itself is a high-performing girls' school, where pastoral care and enrichment feature as highly as academic success. Having featured three times in Her Majesty's Chief Inspector's list of outstanding schools,

we are proud to play a leading role in the education of young people in our area. The pupils are exceptional in every way – they are enthusiastic, personable, caring, and show considerable initiative – and we enjoy the strong support of parents. Likewise, the staff team – teaching, support and administrative – is talented, dedicated, hard-working and committed to the continuing success of the school. The governing body represents a group of capable, multi-skilled individuals, wholly supportive of the work we do.

The main block of the school was opened in 1958 when the school moved from older premises and since then other buildings have been added, including a technology block, new laboratories and additional classrooms. Development of the site continues with an imaginative, multi-purpose teaching area – the Hi-pod; new PE and dance studio, language laboratory and media studies/photography suite.

The Learning Resource Centre was created out of the old school library and boasts a light, comfortable and airy environment with good book stock, excellent ICT facilities and a pleasant reading area. It is very popular with students and well used by all age groups. Books, newspapers and specialist magazines are catalogued alongside other media and loans are monitored through an electronic library management system. Much of the day-to-day running of the Centre is undertaken by a group of library prefects, trained and overseen by the Centre Manager.

Highsted is a school of opportunity for staff as well as pupils, winning the School Achievement Award in two out of the three years that the scheme ran. We contribute extensively to initial teacher training, with many PGCE and SCITT trainees successfully completing their programme in the school each year and in recent years, no less than six members of the leadership team have been promoted to headship posts.

Selective Education

Pupils are granted places at the school on the basis of success in the Kent selection tests or the Highsted Test, broadly speaking they represent the top 25% of the ability range. The economic and social characteristics of the locality are not the most affluent in Kent, so opportunities for value-added are high and the school is able to make a real impact within the community. At Sixth Form level we work in partnership with two other local schools, Borden Grammar (boys) and Fulston Manor (mixed). Through this arrangement, we focus mainly on A-level provision and are able to offer more than 34 different courses, including several applied A-level options. Highsted continues to be placed in the top 100 secondary schools (The Telegraph) based on our A-level results.

Partnership Working

The school, formerly sponsored by Microsoft, received specialist school status through science and consequently we have implemented major changes to the ICT infrastructure to make full use of these connections. Across the school we regard this not only as a strategy to develop science further and promote the role of women in this area, but also as the opportunity to enhance provision across the whole curriculum.

The school has enjoyed a long-standing partnership with Gymnasium Fridericianum, Erlangen in Bavaria and this has led to regular exchange visits for more than 25 years. From our advantageous geographical position, we are also able to undertake day trips to Europe and each year there are study visits to France, Belgium and Italy, organised by different subject areas. For the first time in 2005, a group of Year 12 students spent three weeks in quality work experience placements in Brussels and this has become a regular part of the summer term enrichment programme, supported by substantial grants from the EU.

Extra Curricular

Music and drama within the school are exceptional, with high quality productions taking place every term. There is a strong choral tradition in the school. Sporting activity also features highly in the work that we do, and the pupils enjoy both local and national recognition in areas as diverse as cricket, judo and life-saving. Other extra-curricular activities are wide-ranging and responsive to student need. A very strong School Council has been an established part of Highsted for more than 50 years.

Our Staff

We are looking for a dynamic, innovative and hard-working individual to join our committed, friendly and high-performing staff team that genuinely operates as a team – supporting and motivating one another in what is often demanding but always enjoyable work.

Members of staff are encouraged to develop new resources in small teams and new ideas are valued. This is a time of exciting change, as we take forward major developments in specifications and the curriculum, so your vision will be very important to our work. Wellbeing of all our staff is valued and our commitment to CPD is strong.

About You

From this brief description, potential candidates will realise that this grammar school offers far more than a purely academic focus. This does not come about by accident. It is entirely dependent on the determination and commitment of the whole school community, alongside effective delegation of tasks. If you have the potential to contribute to an exceptional school and would like to be part of a friendly, winning team, we would love to hear from you!

This post would suit a creative and ambitious professional who can work well as part of a team, is keen to contribute ideas and take on new initiatives and has high expectations of the students. It provides an opportunity to work with able and well-motivated students within a successful school and with friendly colleagues. Flexibility and a personal desire to broaden professional experience would be an advantage.

Application & Interview Process

Applications will only be accepted from candidates completing the school's application form, which is available to download from the website. All sections of the application form must be completed as accurately and as full as possible. Alternatively, applicants may submit their application via the Kent Teach or TES website. Please note that CV's will not be considered in isolation and must be attached to an application form as a supplementary form. Candidates should also complete a personal statement as outlined above.

Closing date for applications: 28th February 2024, at noon
Interview date: TBC

The school may interview early in the case of an exceptional candidate. Candidates will be shortlisted based solely on the information provided within the application form and personal statement, so ensuring your application form is accurate and fully completed is imperative. After the shortlisting process has taken place, candidates will then be invited to interview and references then contacted.

All candidates who have been invited for interview will be required to bring the following documentation:

- Right to Work in the UK evidence (typically a birth certificate, passport or driving license)
- Criminal Record Self Declaration (will be sent ahead of the interview)

Highsted Grammar School is committed to safeguarding and promoting the welfare of our pupils and expects all staff and volunteers to share this commitment. An enhanced criminal record check via the Disclosure and Barring Service (DBS) will be undertaken for the successful candidate, including a check of the DBS Children's Barred List. All applicants must be willing to undergo safeguarding screening appropriate to the post, including checks with the DBS and at least two satisfactory references. It is an offence to apply for the role if you are barred from engaging in regulated activity relevant to children
