

Highsted Sixth Form

10 Days of Action 2022

Inspired by the 16 Days of Activism against Gender Based Violence, Highsted Grammar School's Sixth Form has created its very own 10 Days of Action to raise awareness of key issues that matter most to our community. As form groups, students have produced a daily focal point for all students to consider and discuss. Activism promotes a dialogue that is necessary in our community and in our society, and we are proud to empower our young people to express their views and lead on global issues that matter to them.
