

**Highsted Grammar School**

## **COVID-19 - Advice for parents and carers for Coronavirus**

---

We would like to take the opportunity during this period of continued closure, to thank all members of our Highsted community for their continued support. For parents who are supporting their children at home, to keyworkers who continue to keep the country moving forward and our staff for their continued efforts to support children at this time. Most importantly we would like to acknowledge the hard work of our Highsted students. We are proud of their continued dedication at this time.

The Department for Education continues to update the education sector of their current position.
